## Program

Charmaine Wait, director of Silver City Main Street, talked about the history of Main Street and how SC Main Street are involved with our community. Main Street is a non-profit and does a lot of promotion for downtown.

The Saturday after Thanksgiving they have the Lighted Christmas Parade as well as Shop Small. There will be a merchant window contest for the holidays, and they have enough lights to decorate every light pole this year. They do the Taste of Downtown which is their large fundraiser. We have 23 places downtown to eat. She thanked Rotarians for adopting a median; there are 28 medians in town.

There are a lot of projects they work on, and retention of businesses is a really big focus. In 2011 the city received an award which was a huge honor. Main Street Plaza is a new project made possible by a grant from Freeport. Please check out their new website [silvercitymainstreet.com](http://silvercitymainstreet.com).

Charmaine is the only paid employee, and she seeks volunteers for the projects. They have partners rather than members.
