## November in Brief

**Rosie** and **Max Higgs** took a month-long vacation in Mexico. In Rosie's absence, **President-Elect Bart Roselli** presided over our meetings. Our programs included presentations by **Dr. James (Butch) Rosser**,

*Dr. James Rosser*

a new general surgeon at Gila Regional Medical Center who specializes in minimally invasive and innovative approaches to treating digestive disorders; **Thomas Shelley** of Freeport McMoran, who spoke about proposed mining legislation that could have an adverse effect on mining in Grant County; Silver City Museum Curator **Joe Bryce** who spoke about the history of ranching in Grant County; and **David Konopnicki**, who told us about his experience in owning and successfully operating a string of McDonald's restaurants in southwest New Mexico. Tom Shelley's presentation drew a number of interested members of the public, including

Representative Rudy Martinez, who is shown at right with Leslie Bush.
